Hi pastors, we have a unique opportunity to meet, in person, Dr. Steven Masood and Karen Masood.

Steven Masood will be sharing his Testimony of escaping death as an apostate Muslim in Pakistan. His 23 years as a Professor and Evangelist in England only to be told by the police that they could no longer guarantee his safety.

His subsequent move to the USA where he continues his evangelistic work with the Islamic community.

Steven will also be sharing some of the strategies Islamists use to evangelize our college students and gain power within our governments, He will share with us how they accomplished this in England and now have their sights set on the USA. Steven and Karen will also be bringing a plethora of study books, bible studies and outreach materials that he has written to make available to all who attend.

Recommended donation amounts are from five to thirty-five dollars.

Hi pastors, what religion will take over Christianity?

Muslims- a new report by Pew Research Center.

By the end of the year 2100 Muslims are expected to outnumber Christians.

According to the same study, Muslims population growth is twice of the world's overall population growth due to young age and relatively high fertility rate and as a result Muslims are projected rise

30% (2050) of the world's population from 23% (2010)— Wikipedia.

Which religion will be biggest in 2040?-Islam.

Islam will become the largest religion in the world *if* current demographic trends continue: a new report by Pew Research Center has said that Islam will become the largest religion in the world by 2040 *if* the current demographic trends continue. The report also said that muslims form the fastest-growing religious group in the world. From 2010 to 2050, their population is estimated to grow by 73 percent, according to the report.— Pew Research Center

Okay... well Jesus said to "Go...". Matthew 28:19, John 20:21, Mark 16:15, Matthew 28:18-20, Luke 24:46-49, Acts 1:8, Matthew 24:14.

The Great Commission were Jesus final instructions before His ascension to Heaven.

"Did you know 40% of the un-evangelized world are Muslims and only 1% evangelizing efforts go to them? Jesus died for them also! God is not done with the descendants of Ishmael! As the Word teaches us, we equip Christ followers to be ready at all times to share the hope we have in Christ with Muslims. (1 Peter 3:15). Just as the Muslim's ideology teaches, the goal of Muslims is to wipe Israel off the map and take over America from within. It is the Anti-Christ Spirit that I John 4 speaks of as they do not believe Jesus is the Son of God nor died on that cross. The ONLY answer is for the church to RISE UP and REACH MUSLIMS with THE TRUE GOSPEL to set Muslims free from this evil spirit!"

EDUCATE yourself on Islam so God can use you to reach your Muslim friends, doctors and neighbors for Jesus! Muslims' agenda in the USA is to EVANGELIZE you to ISLAM, so let *Jesus to Muslims* educate you so that you can be equipped for that opportunity. Matt. 28:18-19

### **SBMA** January 14th Speaker: Phil Davis

Evangelist/Outreach Pastor Phil Davis was raised in Melbourne, FL, and served his community for over 25 years in the real estate mortgage industry. Raised in the church, he rededicated his life to the Lord roughly 21 years ago and spent the last decade walking a path of sanctification. His passion for the Lord has taken him to the nations and throughout Florida as the founder of Florida's first mobile church "Global Vision Space Coast" under the umbrella of Preach Ministry. Phil is known for going where others won't, bringing the light of Christ into dark places through missionary work, street evangelism, parades, crosswalks, festivals, church startups, and prayer-filled public gatherings. He founded "Feed Brevard," a Spirit-led outreach initiative that feeds and disciples the homeless in shelters, streets, food pantries, and even the woods across Brevard County. Through this ministry, Phil and his team bring food, the Word, worship, and the tangible love of Christ to those in need. His heart burns for the Great Commission, raising up disciples who make disciples, equipping the Body, with his wife, Kayla Davis, and their son, Christian.
